## Ruth Elaine/ Main Replacement Project

<b>What</b>	Replace existing AC main with new PVC pipe with replacement of any existing services and fire hydrants in project area.
<b>When</b>	Construction will commence May 9 <sup>th</sup> , 2022 to end of March 2023. Construction will be Monday – Friday, from 8:00AM to 4:30PM.
<b>Where</b>	Replace of existing AC main with the installation of new main, fire hydrants, and services. Installation will be in following locations: Martha Ann Dr/Ruth Elaine Drive, From Silverwood Dr to Wallingsford Rd; Kensington Rd/Quail Run Rd, from Silverwood to Wallingsford; Donnie Ann Rd, Donnis Rd. to Wallingsford; Silverwood, from Martha Ann to Wembley; Shakespeare and Chesney from Martha Ann to Kensington; Donnis and Wallingsford, from Ruth Elaine to Donnie Ann
<b>What to Expect</b>	Construction crews with backhoes, dump trucks, crew trucks and hand tools will be digging along the new pipeline alignment. The services will generally be installed using an air compressor and pneumatic boring tool. The streets will remain open to traffic during the construction period but traffic and parking may be restricted and access to driveways may be limited for short durations of time. The construction crews will make every effort to keep dust to a minimum. Please expect an increased level of noise during the construction period. Weekly activities such as trash pick up will not be interrupted. Generally, as underground activities are completed the crews will progress to the next underground sections and come back near the end of the project to perform landscape and hardscape restoration.
