

# CONSTRUCTION NOTICE

Serving Californians Since 1929

## 8" Fire Service @ 8171 Monroe Ave.

<b>What</b>	Install 8-inch fire service lead for 8171 Monroe Ave.
<b>When</b>	Construction will commence on February 20 <sup>th</sup> , 2024 and will be completed by end of February 2024. Anticipated working hours will be 8:00A.M. to 4:00P.M. or per city of Stanton. Nightwork may be anticipated and will be scheduled accordingly.
<b>Where</b>	8171 Monroe Ave.
<b>What to Expect</b>	Construction crews with backhoes, dump trucks (if necessary), crew trucks and hand tools will be digging along the new pipeline alignment. The streets will remain open to traffic during the construction period but traffic and parking may be restricted and access to driveways may be limited for short durations of time. The construction crews will make every effort to keep dust to a minimum. Please expect an increased level of noise during the construction period. Weekly activities such as trash pick up will not be interrupted. Generally, as underground activities are completed the crews will progress to the next underground sections and come back near the end of the project to perform landscape and hardscape restoration.
<b>Contacts</b>	If you have any questions or concerns about the construction activities for this project, please call the Golden State Water Company's Construction Inspector, Mr. Jose Rivera at (714) 264-5018.
