Serving Californians Since 1929

Drain Line Improvements @ La Vereda Plant Site

What	Perform drain line improvements for the La Vereda Plant Site by installing cleanouts at each bend of the existing alignment for maintenance purposes perform spot repairs to improve the drain line.
When	Construction will commence end of February 2023 and conclude end of June 2023. Construction will be Monday – Friday, from 8:00 AM to 5:00 PM.
Where	The existing alignment of drain line improvements for La Vereda Plant Site will be performed approximately through these addresses: 11385 La Vereda Dr., 11365 La Vereda Dr., 1521 Squires Dr., 1512 Squires Dr., 1461 Foothill Blvd, 1451 Foothill Blvd, 1431 Foothill Blvd.
What to Expect	Construction crews with service trucks, standard hand tools, and small mechanical equipment will enter the La Vereda plant site as well as the surrounding aforementioned addresses and their respective alleyways. The construction crews will make every effort to keep dust to a minimum. Please expect an increased level of noise during the construction period. As sections of the project are completed, crews will be moving on to next portion of drain line. This step is necessary to protect public health and to ensure compliance with the Orange County guidelines. Crews will also arrive at 8:00am to commence work.
Contacts	If you have any questions or concerns about the construction activities for this project, please call the Golden State Water Company Customer Service Center at (800) 999-4033. Please visit our website at https://www.gswater.com/post/placentia-capital-projects for periodic updates on the construction progress.
