CONSTRUCTION NOTICE

Serving Californians Since 1929

Well Drilling

What	To drill Saxon Well No. 5.
When	Construction will commence on June 21, 2023 with completion expected by mid-November 2023. Construction shall be limited to regular daytime hours Monday through Friday. However, there will be times during the construction period when around-the-clock (24 hours a day, 7 days a week) operations will be necessary.
Where	The well will be drilled at 409 E Saxon Ave, San Gabriel, CA 91776.
What to Expect	Construction crews with drilling rig, excavators, backhoes, dump trucks, crew trucks and other hand tools will be digging and modifying equipment within the plant site. Nearby streets will remain open to traffic during the construction period. The construction crews will make every effort to keep dust to a minimum. Noise barrier walls will be installed, but please expect an increased level of noise during the construction period.
Contacts	If you have any questions or concerns about the construction activities for this project, please call the Golden State Water Company Customer Service Center at (800) 999-4033.

Golden State Water Company thanks you for your patience while we work to improve your water system.
